January 30, 1956 (OPINION)

SPECIAL SCHOOL DISTRICTS

RE: Teacherage - Authority to Borrow for Purchase

We have received your letter of January 27, 1956, requesting an opinion in the following matter.

The Ellendale special school district wishes to purchase a teacherage. It has \$2,000.00 cash in the building fund. The teacherage will cost \$2,000.00 cash in the building fund. The teacherage will cost \$10,000.00. You ask if the school district may borrow \$8,000.00 on the teacherage and another school building.

We can find no legal authority authorizing a school district to so proceed and therefore hold that the school district may not enter into this kind of a transaction.

LESLIE R. BURGUM
